## KISS ME AND MY PUSSY

Hi guys. I'm Sophia. I met Ariel at the food court in the shopping mall outside Phoenix. The place was packed and the only open seat was at a table across from her. I asked if the seat was taken and without looking up she said it wasn't. After a couple minutes of trying to get her to talk, she started talking and wouldn't stop. We became instant friends and a few months later, we were fucking each other. And what a great time we are having. Just watch us.

## I'M NEW TO THIS

I'm just a sweet, wild little country girl that's ready to try something new. So I moved to Los Angeles for a short while to try making an adult movie. After pestering my husband about it, he reluctantly agreed but said he wouldn't come out with me. Well, I decided to go try it and I kinda liked it. I've only made a few videos and love the new cocks. But when I went home, I gave him the best fuck of all.

## INTERNATIONAL RELATIONS

I'm from Austria and found a nice place in America, and that's on my back or knees or everywhere in between. American men are so aggressive and always so ready to fuck. They no waste time. They know what they want, but I do too. I want to fuck as many as I can before visa expires. So today I get two and I fuck them both. This should be good entry into my American diary.

## MY THAT'S QUITE A THICK COCK YOU GOT THERE

I really broke out of my shy girl persona when I went to college. That's where I met my now husband and he introduced me to all sorts of stuff. One of the things I remember most is how I really got off on thick cocks. Some girls may like them long, but I like 'em thick and wide. It fills my pussy better and long ones tend to hit my back walls and that hurts. Now bring on that wide one.

# your dream girl

**Dear Ms. Angelina,**

I would really like to talk to you. I have the hots over you. I love your body, but I am really nuts over your boobs. I also want to tell you how much pleasure I've received from your pictorial in this magazine.

Would it be possible to receive some photos of you from time to time. I dream of you sucking my cock and I would launch tons of cum on the pix. I have creamed over you many times and I know there will be many many more. Since I probably can't fuck you, could you can send me more hot, sexy photos (XXX).

Now I can cum just thinking about you. I am 5' 8" and seem to be the right size for you. We could establish a great relationship, even if it's only by email. I want a really, really giant size photo (close up highly enlarged of your fabulous boobs). Do beautiful women with super-boobs fuck & suck better than smaller women. You could tell me in one of your letters. Please rush your reply with photos because I never felt this way before I saw your layout. The first photo set me on fire. and then the rest took me over the top. If I were dying, my last whish would be to suck your big beautiful boobs. I'm so hot over you as I write this letter, I hope I don't explode.

Please send me a giant highly magnified photo of your boobs right away, close up. I loved seeing that guy cream on you. With a big hard-on for you, I remain.

Eva Angelina,

**To the editor:**

I'm writing to offer an alternative solution to cure an ailing sex life. Get your wife to let you be the boss. You may think you are but read on...

My wife, Shelly, and I have been married for more than ten years. After living a long time with a constantly declining sex life, I finally took over, and now I control our sexual activity. How? You ask. Well, it started months ago, after we had a fight about, what else – sex. Shelly said she was tired of my constant whining, and finally said, "OK, you be the boss. We'll do whatever you say, this time." She was surprised when I decided to take her up on her statement. And I think she was even more surprised to find that she liked it that way as much as I did.

So I found a way to make our sex life more exciting and get things done around the house. When she does any housework, like cooking dinner, or washing dishes, or even vacuuming, she must wear four-inch heals, an apron and nothing on underneath. Our agreement is that when I decide to grab her boobies or ask for a quick

waved it, they would have to take a shot of whatever she was carrying. If she took both flags out and waved them, the people in front of her woukd have to kiss and briefly fondle each other. Her outfit is the hit of the party that night before she decided it was too much trouble and dropped her costume completely.

But I digress. Around the block from our house is a small shopping plaza with a dozen or so small shops. One of them is a health food store shop that's owned by Venus, a baby boomer and ex-hippie who was left the shop after her husband died. Tonight, Venus came and was wearing an original Rudi Gernreich monokini from the sixties. (For those of you that don't know it, look it up) As she came into the house, she passed by me as I answered the door, she whispered asking me if I liked it. Brushing her hand over my cheek and looking back at me as she passed, her signal was unmistakable. We first met her years ago when we were still vegans and trying to eat healthy. That healthy eating must sure work because she was still svelt and stunningly pretty, although she had to have a boob job to help her sagging breasts, but they do look great!.

Venus walked through the house and back to the pool area where she found a group gathered around my wife, drunk and on exhibit. She was sprawled across two pool chairs with her butt in the air while someone shined a flashlight on it and describing it as different phases of the moon. Somehow Melanie notices Venus through all the people and wiggles her finger to invite her over. The crowd disperses and the two ladies each take a chair and start talking up a storm.

After a few minutes, they both get up and head for the house. I notice this through the corner of my eye and excuse myself from my company to follow them through the house and watch as they disappear into our bedroom. They close the door behind them and I give them fifteen minutes before I make an entrance.

"Oh excuse me!" I say as I open the door and walk in and find them sprawled on the bed with my wife between Venus' legs slurping on her pussy. "Don't mind me, I just have to pee." I say. Venus tells me to hurry up and join them. I go in and do my thing, wash up a bit and come out to the bed with my cock already hard from the scene in front of me.

Melanie stands up and pulls me onto the bed and pushes my head into Venus' mound as she moves up and straddles Venus' face, firmly planting her pussy on Venus' mouth. I'm licking her wet pussy as my wife dismounts and finds my cock and pulls it into her mouth. Venus finds my wife's pussy again and now we're in a triangular daisy chain. We make each other cum several more times and fall asleep in the bed.

We wake up about four in the morning, get dressed and go out to see what all the noise is only to find the party's still going. Just about everyone is drunk and there's a bit of hanky panky in every corner. Man, I sure can throw a party! Next year, you're invited!

*– Payton B.*

*I'm licking her wet pussy as my wife dismounts and finds my cock and pulls it into her mouth. Venus finds my wife's pussy again and now we're in a triangular daisy chain.*

bj, she stops what she's doing while I have my fun. Just watching her is great; stopping her is even better.

With this new sexual understanding, we've done a lot of things we only used to talk and fantasize about. As a guy, I like watching football games on the weekend and now all day Saturday and Sunday, she is at my beck and call. While sitting on the couch, Shelly gives me a blowjob as I eat potato chips and watch the game. Sometimes on her knees and sometimes on the sofa with me. It's one helluva way to watch the game.

Something that she never wanted to do was use a vibe or dildo. Because I'm now the boss, she had to agree. We started out with a small vibe and then to larger ones. I used dildos on her and now we use many different sizes, colors and a whole lot of batteries. And Shelly now loves them all. The last one she brought home was about nine inches long and very thick. I love pumping that monster in and out of her and she goes wild on it and then me.

Another thing she has agreed to is to masturbate in front of me. She used to do herself when I was at work, she told me, but never as a part of our lovemaking. Now, I watch my wife in our bed with high heels on, fucking herself with a vibrator. And after she cums a time or two, I'll join in with either a big dildo or my hard cock. Either way, there's a guaranteed climax for the us both.

Now my wife is my play toy. We have sex all the time, or at least whenever I want it. Whatever I want, it's taken care of immediately. Be it a blowjob, handjob, quickie fuck, it's all up to me. I don't abuse the situation and she can say no (she has only done that once, but changed her mind within ten minutes). You don't need to look for another woman when you have an arrangement like mine, but within a couple weeks I'm going to test her by asking for us to try a threesome!

*– Michael C.*

**Dear editor,**

I just have to write you about the last Fourth of July party I just threw at my house. Indepenence Day is my favorite holiday and I'm known around the neighborhood for throwing raucous parties, so in order to keep the neighbors at bay over the noise and crowds, I invite them all, and just about everyone of them shows up. Then there are the others. Office co-workers, friends of friends, and even the bank tellers and shop owners I do my everyday business with.

The invite says the party starts at nine pm, but a lot of them show up early and many show up late, but either way, by midnight, it's a wild and lecherous scene. By then, almost everyone has had too much to drink. The pool is full of half- or totally-naked people and the house looks like a tornado ran through it.

My wife, Melanie, is a fox and loves to party. This year she was dressed in a red, white, and blue bikini that left very little to the imagination. She put her long blonde hair up and shoved two small American flags in either side like antennas. She had this little game that if she went to talk to anyone and took one flag out and

*While sitting on the couch, Shelly gives me a blowjob as I eat potato chips and watch the game. Sometimes on her knees and sometimes on the sofa with me. It's one helluva way to watch the game.*

I may look shy but I'm trouble waiting to happen. I'm incredibly cute and that make me irresistible. I give great head and love to feel a hard cock deep in my ass. I have a really cute brown butt that's built for bumping and grinding. My butt hole is really tight and not only do the guys like it, but I do too. Believe me, the tighter, the better. You should watch me get it on with this guy as I swallow his cock into my ass!

# BAILEY'S TWO DAYS OF BLISS

*I probably need a drink and make my way to the kitchen and see Bailey, my cute wife, prepping tomorrow night's dinner.*

It's finally Friday night and I'm getting home from a long day at work. The house is quiet as I step out of the shower, dry off and wrap the towel around my waist. I probably need a drink and make my way to the kitchen and see Bailey, my cute wife, prepping tomorrow night's dinner. I step up behind her and begin massaging her shoulder and neck. She works just as hard as I do and I want to let her know I appreciate it. She let out a small sigh and comments on how good it feels. We make small talk about the day and her plans for tomorrow.

After a few minutes of rubbing her back, she tilts her head to one side, her hair brushing clear of her shoulder. I lean down and start to kiss and nibble at her exposed neck. She giggles a little and smiles as she leans back into me, enjoying my attentions. I stop massaging her and wrap Bailey in my arms from the back. My left hand was across her abdomen and my right fell across the top of her breasts. She reaches back and slips her hand under my towel and her fingers flick at my cock and balls.

"Honey, we shouldn't do this here." she whispers as she grinds her ass into my crotch. She raises and lowers her ass against me, slowly dislodging my towel to the floor.

"No, we shouldn't." I whisper as I cup and slightly lift her firm full breasts. She's not wearing a bra and my thumbs flick across her pert nipples. She's doing anything to stop me. I pinch her nipples, rewarding me with a gasp of pleasure. My left hand slowly slides down her flat stomach, stopping at her crotch. I can feel how wet she is through her shorts. I rub her pussy through them while my free hand slips under her t-shirt and continues to play with her nipples. We continue like this for some minutes, the only noise heard is the deep breathing and gasps of air as I play with her and she with me.

Bailey continues to grind into me and stroke my cock. I find the zipper to her shorts and pull it down. I undo her shorts and pull them down with her panties as I kneel behind her. "What are you doing?" she asks in mock anger as she steps out of her shorts as I pull her top off. I kiss and lick the spot I just bit.

Bailey's pretense of resisting my attentions fade and she opens her legs wider and bends forward at the waist, giving me perfect view of her lovely ass flower. She quivers, quakes and throbs as I suck, lick and probe it with my tongue. My left hand reaches around her and my fingers get drenched as they slide up and down her pussy lips, probing and pressing as they go. One finger finds her clit and I begin to tease her by just barely touching it. She starts to move her hips forward to meet my finger as I continue to wet down the moist valley between her butt cheeks.

She starts to wiggle and maneuver her hips and pelvis to find a way to get both her pussy and ass pleasured. I can see the juice dripping from her crotch and the smell is marvelous. Suddenly she turns around and leans back against the counter and raises a leg over my shoulder. She pulls my head into her crotch and I go to work on her. I start by kissing the outside of her pleasure zone, slowly licking and kissing down one side and up the other. Then my tongue flits across her pussy lips giving me the first sweet taste of her juice. Slow moans escape her lips as she digs her nails into the back of my head, trying to force it where she wants it. But I'll have none of that. My tongue is busy as I slowly lick her slit from the bottom to the top. I stop just before her clit. I make slow laps with my tongue, over and over, poking and prodding, separating her lips, now and again licking a little deeper into her pussy, but I largely leave her clit alone, for the moment. Then I flick it with my tongue now and again just to show her I know where it is. Each time I do I'm rewarded with a sharp intake of her breath. While I'm licking her, my right hand is busy with her asshole. I get my fingers slick with her pussy juice and slowly run little circles around her tight brown star. I apply just enough pressure to suggest penetration but not quite enough to let it happen.

Slowly, her hips begging to gyrate and buck even more. Her eyes are closed, one hand's entangled in my hair. I sense she can't take any more of this so I slowly push a finger in her ass at the same time. With my other hand, I inch my index and ring finger into her hot pussy. These fingers easily find her G-spot and begin to massage it while I finely give her clit the attention she's been craving as I'm now sucking and licking her. My finger in her ass slowly pulses in and out of it, so it's not long before all this sends her over the edge. Her knees begin to buckle as her orgasm surges through her.

She screams out as her orgasm produces a stream of sweet nectar. I drink it all. She almost crumbles to the floor, nearly spent. I catch her, and slowly stand her up. I kiss her full on the mouth, my face sticky with her pussy fluid. Then I throw her onto the kitchen table, her body still twitching from her orgasm.

Bailey's moaning and writhing even as she spreads her legs, lifting them to my shoulders. Her pussy lips are wet and dripping. I can see the muscles between her pussy and ass twitch with anticipation. I take my cock in my hand and rub its tip up and down her pussy. I slowly glide my cock into her waiting pussy. She grabs my hips and tries to get all of me inside her faster. I push in and penetrate her up to the base of my cock. I can feel her pussy dripping on my balls. The table is a bit low so I grab her hips, lifting them from the table. I go long and slow the first few strokes making sure I'm fully coated with her juices. Then without warning I start to slam my cock in to her. I grunt and growl like an animal as I use my arms and hips to fuck her. She continues moaning as she squeezes her boobs and pinches her nipples hard.

Suddenly she reaches up for me, trying to sit up in the process. I grab her arms and pull her to me. She wraps her legs tighter around me as I lift her from the table. I pump her up and down on my cock as I stand in the middle of the kitchen. I can feel her nails digging into my back as another orgasm surges through her. I let her rest for a moment as she clings to me, panting and out of breath.

I start fucking her standing there again as her orgasm subsides. I lay her back on the table and start fucking her harder and harder. She senses that I'm about to blow a big one. Our sweaty bodies make it easy for her to slide out from under me and she drops to her knees before me and sucks my cock into her mouth, massaging my balls at the same time. I'm too close and her mouth feels perfect! I grab thick handfuls of hair as she lets me fuck her throat.

*I pump her up and down on my cock as I stand in the middle of the kitchen. I can feel her nails digging into my back as another orgasm surges through her. .*

Just as my cock explodes into her wanting mouth, Bailey forces two fingers she's been lubing with her pussy into my ass. The sensation is unimaginable! I cum so hard it almost hurts as load after load of jizz gushes down her throat. She milks my cock of every last drop, pumping it with her hands as she sucks out everything she can. Bailey smiles and stands up before me, wiping cum of her chin with her fingers. She sucks her fingers clean and gives me a deep tongue-filled kiss. I can faintly taste some of my man-juice still on her lips.

Silently, we stand there holding one another and softly kissing each other in the middle of the kitchen. I pick her up and carry her to the bedroom. By the time we get there she is almost asleep as I lay her gently on the bed.

It's Saturday today and the plans she made are about to happen. Bailey has invited four of her girlfriends over for dinner and a party. I helped whip up some desserts for them, but it was Bailey's show tonight. They would arrive soon, so she hopped in the shower. She put on some lace underwear and her finest perfume. She loved how it felt to have another woman taste her and feel her mouth against her warm body.

Bailey knew that Faith and Rose had experimented in college with each other and she wanted to then but was just to afraid to. Shortly, everyone showed up, ended up in the kitchen (yes, I cleaned up) and started reminiscing about the old days and how happy they were to see each other. After dinner everyone went to the living room to have drinks and play truth or dare.

Sheila started it off by saying, "truth or dare" to Bailey? Bailey, of course, picked dare. She dared her to French kiss Rose. She walked over and gave her a kiss so seductively that both Rose and Bailey got wet and their nipples got hard. Sheila and Faith gave each other a devilish look and smile. Sheila got up and sat next to Faith rubbing on her soft skin and giving her a seductive look. Bailey watched as they kissed and Rose rubbed on Bailey full but perky breasts, playing with her nipples. They were at full attention just wanting Rose to swallow them up with her hot wet mouth. Rose unbuttoned Bailey's blouse and took it off slowly. Rose pulled down Bailey's bra straps making her perky breasts noticeable. She pushed Bailey back on the couch and took in a mouth full of her breasts. Sucking them as if she was thirsty. Bailey groaned and moaned with ecstasy. Rose went up and down her body with and stuck her fingers inside of Bailey's skirt and into her lace panties. Bailey's head raised, she moaned uncontrollably as her body started shaking and her moans were turning into cries of ecstasy. Rose knew that if she stuck her fingers deep inside of Bailey it would take her there.

*Bailey began eating out Sheila while Rose laid under Faith and devoured Faith's wet, hot, pink pussy.*

Rose stuck her two fingers deep inside of her. She screamed as Rose got faster and faster with her fingers. She came so hard that her friends Sheila and Faith joined in on the fun. Faith told Bailey that they were going to give her an experience that she would never forget. Everyone got out of their clothes and took it to the bedroom. Sheila laid Bailey down on the bed kissing her ever so slowly, Faith sucked on her wet, hot pussy. She licked her clit slowly while Rose sucked her breasts. Sheila began sucking her breasts and playing with her clit as Faith licked her love hole and making it even wetter. She took two fingers and put them inside her.

She moaned and wiggled, tugged at the sheets grabbing Sheila's breasts and sucking them. Bailey began eating out Sheila while Rose laid under Faith and devoured Faith's wet, hot, pink pussy. She sucked it hard making Faith suck Bailey's clit even harder and Bailey sucked Sheila harder until she came all over Bailey's face. Faith and Rose finish eating each other out until they both scream with pleasure.

Bailey thought to herself that this feels so good to have three women taking turns showing her how it feels to get eaten out by women. They took turns licking each other and giving each other multiple orgasms. This whole time, I'm standing in the bathroom doorway watching this sweet girlie action going on in front of me. I helped myself to a final release as they all finished theirs. And Bailey finally got to experience what she wanted, and to have my fantasy come true.

## I KNOW YOU WANT TO SEE ME FUCK

Call me the ultimate romantic. Call me infatuated with love. Sex is like a song. Like a duet performed by two harmonious lovers in sync with each other's bodies and motions. It starts out slow and slowly builds momentum until the final explosive climax with voices reaching their peak. If the partners are in unison, then the song and the act can be truly beautiful. Now let me suck your fucking cock!

## YES, I'M TROUBLE WITH A CAPITAL T

I'm all in when it comes to sex. I've got all the moves and know how to us em. If it's on a girl, I take it nice and slow and can be very aggressive. With a guy, I tend to be more laid back and have him do the work. But when I'm fucking two guys, I want control. I want to tell them which holes to go into and when. Gotta protect the goods, you know. But anyway I do it and whom ever I do it with, they know they've been fucked good.

I like baking cookies, grilling burgers, hard cocks, putting mini-marshmallows on my hot chocolate, argyle socks, ass-fucked, changing my new car's oil, painting my toenails pink, swallowing my hubby's cum, and updating my Facebook status every day. I also like to finger-fuck my pussy, tie down my partner on the bed and get my ass fucked. One day I'm going to put this all in one video and make a lot of money.

## I LIKE AFTERNOON QUICKIES

I met my new husband online over two years ago. It all started when he saw me in a webcam session. He paid a lot of tokens to keep me on the screen and I liked that. Slowly, we began to communicate more and more and eventually I agreed to see him if he came to Europe to meet me. We instantly fell in love and fucked for the entire two weeks he was here. Then he asked me to marry him and come to America, and now all of you get to see me!
